A. N. A. Convention

Extensive preparations are being made for a big national gathering of numismatists in Buffalo next summer. Annual conventions were so popular before the war that with the greater number of people now interested in numismatics a record attendance is expected this year. It is not necessary that you belong to any coin organization to enjoy this event to the fullest. To many it will be a new experience.

There will be a marvelous exhibit of material selected from noted collections. Dealers will display coins for sale. A large assortment of fine items will be auctioned with the privilege of inspection beforehand and the thrill of competitive bidding from the floor. The opportunities for increasing acquaintance, exchanging ideas and adding to your collection are obvious.

Plenty of entertainment is blended with the numismatic features of the convention. Seeing points of interest in and about Buffalo, a trip to Niagara Falls, special events for the ladies, something doing every minute right up to the banquet which officially closes the convention.

Start planning your vacation now so as to include the convention. I'm sure you and your guests will enjoy it. Your favorite coin magazine will publish further details or inquiries may be addressed to Dr. J. H. Wild, 690 Ellicott Street, Buffalo 3, N. Y.

I'm looking forward to seeing you at the
